PETITION TO WITHDRAW HOLDING OF ABANDONMENT

PETITIONS OFFICE

Sir:

Petition is hereby made to withdraw the holding of abandonment in the above-identified application. A notice of abandonment under 37 CFR 1.53 (f) was mailed to Applicant on September 26, 2002, for "failure to timely or properly reply to the Notice of Missing Parts mailed on February 12, 2001.

As explained below, Applicant believes that he properly and timely responded to the Notice of Missing Parts and, therefore, that this application should not be abandoned.

Facts

- (1) Applicant filed the application identified above on December 22, 2000.
- (2) A Notice to File Missing Parts of Non-Provisional Application was sent to the Applicant on February 12, 2001. This Notice listed the Serial Number assigned to the above-identified application as 09/747,735. A copy of this notice is enclosed hereto as Exhibit A.
- (3) On March 5, 2001, Applicant filed a timely response to the Notice of Missing Parts. Applicant's response included a check for \$130.00, a postcard, a response cover sheet, an executed Declaration/Power of Attorney, and a copy of the Notice

to File Missing Parts of Non-Provisional Application. A complete copy of Applicant's response is enclosed hereto as Exhibit B.

- (4) Both the copy of the Notice to File Missing Parts of Non-Provisional Application and the Declaration/Power of attorney included in Applicant's aforementioned response referenced the correct Serial Number of the above-identified application (namely, 09/747,735). However, the postcard and the response cover sheet inadvertently listed a clerical error in one digit of the Serial Number. Specifically, the Serial Number shown on the postcard and on the response cover sheet listed the Serial number incorrectly as 09/447,735, instead of 09/747,435 [emphasis added in bold and underline, to show the inadvertent clerical error].
- (5) Applicant received back the postcard in his response to Notice to File Missing Parts of Non Provisional Application. The postcard had a United States Patent and Trademark Office (USPTO) Office of Initial Patent Examination (OIPE) stamp thereon of March 5, 2001, indicating that the USPTO had received Applicant's Response to the Notice to File Missing Parts of Non Provisional Application within the statutory period. A copy of the stamped postcard and copy of check for missing parts fee is enclosed hereto as Exhibit C.
- (6) Applicant received a Notice of Abandonment Under 37 CFR 1.53 (f) for the above-identified application, dated September 26, 2002. A copy of this Notice is enclosed hereto as Exhibit D.
- (7) On October 24, 2002, Applicant's representative telephoned Mrs. Hicks at the Office of Petitions to discuss the aforementioned facts. Mrs. Hicks confirmed that on March 5, 2001, a fee of \$130.00 (i.e., the missing parts fee paid by Applicant) appeared to have been applied to the [incorrect] serial number of 09/447,735. After discussing the aforementioned facts with Applicant's representative, Mrs. Hicks advised Applicant's representative that a Petition to Withdraw Holding of Abandonment would be appropriate, as Applicant filed a timely and complete response to the original Notice to File Missing Parts of Nonprovisional Application.

Based on the aforementioned facts, Applicant believes that he made a timely and complete response to the original Notice to File Missing Parts of Nonprovisional Application. Accordingly, Applicant respectfully requests that the holding of abandonment be withdrawn and that the original Response to the Notice to File Missing Parts of Application, including the Declaration and the Fee, be applied to Applicant's patent application, Serial No. 09/747,735

An early and favorable action on this application is respectfully requested.

Should there be any questions on this petition, please feel free to telephone the undersigned.
